AI Global Impact Festival

Intel® AI Global Impact Festival 2024

Are you a student innovator interested in applying AI to make an impact?

Enter the AI Changemakers Competition as part of Intel® AI Global Impact Festival 2024 for the opportunity to be a Global Winner and win prizes!

What?

Intel® AI Global Impact Festival competition for student innovators to enter their innovative, impactful AI-based projects, built on Intel technologies.

When?

June 28, 2024	All Student Projects submitted
July 15, 2024	Global Competition Begins

Global Prizes — 3 projects will receive the Global Winner awards with $2,500 cash prize per team member, as well as showcase and mentorship opportunities, subject to approval.

Who?

Students (individual or in a team of up to 3) in two age categories:
- 13 to 17 years
- 18 and above

How to Enter?

Complete the submission entry form with:
- Project title (max 10 words)
- Description of the project (max 150 words)
- A 2-minute video of the project (max 60 MB in size) in either mp4, mov, wmv, flv, or avi format. Subtitles should be added if the video is not in English.
- Complete, sign and upload consent forms

Submit entry form at [enter info]
